

2019-2020 ~ Midget (OPEN) Coach's Profile Donny Froehlich

Donny began his hockey career playing for WHYH growing up. He went on to play for WHHS and served as Captains on the team. After high school, he became active with WHYH as an assistant coach, and then worked his way up to head coach.

Donny has been the head coach of Pee wee B for the past two years and this year will take on the role as the coach of the Midget WHHS Open team. Donny has also helped out with our midget program throughout the years. He brings years of hockey experience and runs a skill orientated practice to get their players ready for the next level. We are happy to have Donny as a member of the coaching staff for West Haven Youth Hockey!
