Playground Fun

Let the little ones ride the Pumpkin Barrel Train and play in the sand bin at the Pumpkin Patch Playground! And you'll love a visit with the alpacas, goats and their fine feathered friends at the Coop. Of course, a day at the farm isn't complete without trying to milk our very own Molly the (wooden) cow or a ride on the Buckin' Bronco!

Fresh Pumpkins and More!

You know it's fall when you see fresh pumpkins and mums! Choose from multiple colors of pumpkins (oranges, whites, greens) and varieties (Jack-o-Lantern, Cinderella) for the perfect pumpkin to take home! You'll also find other goodies, like jams, jellies, and salsas at the Pumpkin Patch Gift Shop. And shop for gorgeous fall seasonal decorations and sweet toys!

Farm Food

On weekends and holidays, we fire up the grill so everyone can dig into hot dogs, brats and we make Fresh Kettle Corn and Cider Slushies! Every day of the week, we have freshly baked cookies, water, sodas, and juice drinks. No one goes hungry here!
