

“Experience is the Difference”

Coaches Profiles

Coach: Dave Johnson

Experience

Entering my 21st season coaching travel ball with an overall record of 858 wins and 282 losses. Coached at every age level throughout my coaching tenure. Several of my players have gone on to have successful careers at the collegiate level for Division I, II and III schools. I believe in keeping it simple will produce positive results. “My objective as a coach is to teach my players the fundamentals of the game, improve their softball skills, so they may compete at the highest level, and that by believing in themselves and working together as a team they can achieve a great deal of success.”
