CONNECTICUT JR. HUSKIES – JAKE POMICHTER

Jake Pomichter had another great season with the '06 Jr. Huskies. Jake is a strong, power forward — he likes to take the puck to the net and loves to put the puck in the net. He has worked hard each off season on his skating and shooting and he continues to improve year after year. Jake is very humble off the ice. He is a high honors student and has been selected student of the month twice during his middle school career. Jake plays competitive baseball throughout the summer months and also enjoys playing golf. He is honored to have been selected for The New England District Camp. Jake's favorite team is The Boston Bruins, and his favorite player is Jamie Benn.

CONNECTICUT JR. HUSKIES – KYLE BOLDUC

Kyle Bolduc has had an impressive season playing for the '06 Jr. Huskies. The coaching staff has noticed an increased focus in Kyle's game; his focus and approach has led to solid results in the net and greater consistency than in years past. We're excited to see Kyle's progression and we're looking forward to great things as he finishes out his Pee Wee Major season and heads to the Bantam level. Off the ice, Kyle is a good student, who loves to play any sport, and has an infectious giggle. He also enjoys playing lacrosse, baseball, and saxophone. Kyle's favorite team is the Montreal Canadiens and his favorite player is Carey Price. Kyle loves playing for the Huskies and enjoys the friendships he has made as part of the organization.

CONNECTICUT JR. HUSKIES – JACK DALY

Jack has played with the Mass/Conn United '07 Connecticut Jr. Huskies Elite team since Mite Minor. Jack is a pleasure to coach as he always comes to the rink with a great attitude and willingness to work hard and improve. Jack is a leader on the defensive unit and has played an important role in the team's success. A terrific skater, Jack is a strong competitor who consistently makes smart defensive decisions with the puck on breakouts.
