

2018 TRYOUT SCHEDULE

We would like to wish everyone participating in this year's tryouts the best of luck. Tryouts can be a stressful process for players and parents. We know that every player on the ice will strive to put forth their best effort. Whether or not you make one of the teams, you should be proud of your accomplishments to date, and continue to chase your dreams . . . whatever they may be.

Most importantly, we hope that you enjoy your experience and always remember to have fun!
