

Subject – Play 4 the Cure IMLAX

March 26, 2018

Intermountain Lacrosse is excited to announce our 2018 play 4 the cure day on Saturday May 5! As a league we would like to join together to help raise awareness and money for cancer through the national foundation for cancer research. We know that many of us have been personally affected by cancer or been close to others that have. On April 10, 2016 one of my first teammates and a lacrosse forerunner, here in Utah on the women's side, passed away from her two and a half year battle with cancer. In her own words, she had a "knock-down, drag-out, bloodied-knuckle battle with cancer!" I will be playing 4 Holly, who will you be playing for?

This year we have opened a league store through Tribal West Lacrosse where you can buy shooters, t-shirts, or headbands for your team and parents to wear to your games on May 5 (part of the proceeds will be donated to the play 4 the cure national foundation for cancer research). Then at your games on May 5 we would like you to take photos of your teams and post them on Facebook, Twitter, or Instagram and tag us @imlaxut, use #imlaxplay4cure2018 or send pictures to info@imlaxutah.org.

In order to get everyone your shirts printed and delivered before May 5 the store will only be open until this Sunday, April 1 at 11:59pm MDT so please gather the troops and get an order in ASAP.

To view the league store and place an order click below:
