- 7.4.2 Conglomerate programs will be restricted by the Association Boundary Documents
- 7.4.3 The Boundary Documents will be created by the Board using existing registration numbers, school proximity, and school enrollment numbers to create:

- A) A viable environment to grow and create new, school specific programs.
- B) A more level playing field by creating similar player pools using school enrollment.
- C) Reasonable travel times to practices for players coming from non-host schools.

- 7.4.4 Conglomerate programs will be classified as follows:
 - i. CP0 - MHSLA Approved partnership
 - ii. CP1 - 2 years, then must split or remove additional schools for boys and 4 years for girls
 - iii. CP2 - already had 2 years, granted waiver for one year for boys and 3 years for girls
 - iv. CP3 - ineligible (see #3)
- 7.4.5 When a conglomerate program splits and either one or both resulting new programs are by definition still a conglomerate program, then they by default are classified as a CP1 with a new 2 year window.
- 7.4.6 A program must split (regardless of their classification) when their program consists of at least 36 players for a boy's program, 18 of which represent a single school, and at least 18 players representing one or more schools; or 40 players for a girl's program, 20 of which represent a single school, and at least 20 players representing one or more schools.

7.5.0 PLAYER ELIGIBILITY FOR NEW TEAMS

returning seniors who may, but are not required to, play their final season for their original team.

7.5.2 When a team divides and a new team is formed, only returning seniors will be grandfathered to the old team. Juniors, sophomores, freshmen and new players (including new seniors), must play with the new team.

7.5.3 Further, general eligibility rules per MHSLA Policy with Q/A will be followed.

8.0.0 ALIGNMENT

8.1.0 The current structure of the MHSLA is one classification and one championship. A structure of one classification will remain in place unless the Board is given authority by the general membership per Article E of the By-laws to change the number of classifications/championships.

8.2.0 The Board, per the By-laws, has authority to reclassify programs as deemed necessary due to the dynamic nature of growth in the MHSLA. The status of CPs will re-evaluated yearly by the Board.

8.3.0 It is the duty of the Board to create and structure conferences as deemed best by the Board to manage regular season and post-season play.

9.0.0 SCHEDULING

9.1.0 Games counting toward playoff standings are scheduled by an assigned scheduler.

9.2.0 Contests (any interaction with an opponent: game, practice, scrimmage, jamboree, etc.) scheduled individually by coaches outside of scheduled MHSLA play are Non-MHSLA games. Such games do not count towards MHSLA standings, but will be conducted and played under MHSLA rules when appropriate (and rules of respective leagues when played outside the MHSLA's jurisdiction). These contests are scheduled at the discretion of the coaches. However, all contests must be reported to the MHSLA Scheduler so they can be added to the master MHSLA schedule to assign referees and/or complying with the number of contests limit as defined in rule 12.0.

9.3.0 No Association Contest may be played before the starting date of the first allowable competition, the 2nd Friday of March. No association shall hold practices before January 1st.

9.4.0 During the MHSLA season only contests scheduled against MHSLA sanctioned teams or teams sanctioned by their state's lacrosse sanctioning body are permissible.

9.4.1 The High School commissioner may schedule non-sanctioned games so long as it is in the best interest of growing the game.

9.5.0 Changes to scheduled game must be agreed upon between both coaches.

- 9.6.0 Changes to a scheduled game must be reported to the MHSLA scheduler at least 48 hours prior to the originally scheduled date and time. Notice of less than forty-eight (48) hours change of time or location played will result in one of these two scenarios:
- i. Games played within the same forty-eight (48) hour time frame will cause a charge to the offending team of \$100.00 payable to MHSLA. The payment will be split between MT-LOA and MHSLA. Exception to this rule is if game field is closed by city or school.
 - ii. Games played outside of the same forty-eight (48) hour time frame will require full payment to the assigned officials unless officials can be re-assigned. MT-LOA will make a good faith effort to re-assign officials and will consider extenuating circumstances beyond the control of the teams involved.
- 9.6.2 9.6.1 All rescheduled games will be made up on one of the three (3) Sundays following the original scheduled date and time of the game. Game date, time, and location will be based on official availability, field availability, and offended team's availability.
- 9.6.3 9.6.2 If a canceled game between two teams was to occur at a neutral site the offended team will be given the first choice to host the make-up game on their home field.
- 9.7.0 No games will be scheduled past an 8:00pm start time Monday through Thursday.
- 9.8.0 Doubleheaders scheduled at the same location will be scheduled to start 2 hours apart. However, should the first game run long, teams will be given no less than 20 minutes to warm up, otherwise the 2nd game will start at scheduled time. With a Varsity/JV doubleheader, the play of the JV game will be adjusted (shorten duration, cancel or reschedule) so the varsity game is played per rule. When possible, adjustments should be agreed upon prior to the start of the first game of the doubleheader.
- 9.9.0 Games scheduled Monday through Thursday have a drop dead start time of 8:30pm. No game will start after 8:30pm if being played on a Monday through Friday. Any JV game must be adjusted per rule 9.8.0 to allow play of the varsity game per schedule.
- 9.10.0 Except for games scheduled as part of initial MHSLA schedule, no games will be added to the schedule to be played after the beginning of the playoffs.
- 9.11.0 **FAILURE TO REPORT TOTAL CONTESTS** – A contest is any such activity involving an opponent (including jamborees, controlled scrimmages, practices, non-MHSLA games and out-of-state play). ALL contests must be reported to the MHSLA Scheduler for inclusion on the master MHSLA schedule PRIOR to that contest being played and/or to track each program's allowable contest limit. Failure to report total contests may place the program on probation and/or result in sanctions placed against the program and/or coach.

10.1.0 It is the responsibility of the home team to keep the official scorebook.

10.2.0 CERTIFIED STATISTICIANS

11.3.0 COACHES AWARDS

12.0.0 RULE VIOLATIONS AND PENALTIES

The strength of the Montana High School Lacrosse Association lies in the willingness and ability of the membership to support the rules and regulations adopted and to support the penalties placed upon members, if it is determined those same rules and regulations have been violated. Violation of MHSLA By-Laws, policies, rules and regulations can cause, but is not limited to, sanctions placed upon individual players, coaches and/or programs. Sanctions can include but are not limited to fines, game suspension, season suspension, forfeiture of games, forfeiture of post-season play (playoffs), probation, and expulsion from the Association. Each situation is unique and will be handled at the discretion of the Board. Multiple, repeated infractions and/or those deemed to intentionally defy MHSLA policy will cause stiffer sanctions. Members must cooperate in any investigation of a possible violation of MHSLA By-laws, policies, or directives. See By-laws A.c.i.

12.1.0 USE OF INELIGIBLE PLAYER – The use of an ineligible player will result in forfeiture of all games in which that player participated, except as noted in 11.1.2

12.1.3 Eligibility is measured from the start of the game through the conclusion of the game, even when that game is finished at a later date.

12.2.0 EJECTIONS - MISCONDUCT BY PLAYERS and/or COACHES

12.2.1 Upon ANY ejection, the Head Coach of the penalized team shall report to the Board by email (MHSLApresident@gmail.com) within 12 hours of the ejection.

12.3.1 Any athlete who makes physical contact of an insulting or provoking nature with the sports official or causes reasonable apprehension of bodily injury to the sports official in connection with an Association Contest shall immediately become ineligible for further interscholastic competition. It shall be the responsibility of the tournament manager or president of the program hosting the event to notify as soon as possible the MHSLA board of the incident. The official involved must report the incident in writing to the MHSLA office within three days of its occurrence.

INTRODUCTORY NOTE: One of the prime functions of league competition is to foster the traits of good sportsmanship. The MHSLA strongly urges program officials and coaches to stress to their athletes and fans the importance of sportsmanship during all Association Contests, and to make them aware of MHSLA rules, policies and by-laws concerning crowd control.

- 12.6.1 Program Duties. The MHSLA recognizes the primary obligation incumbent upon the administrators of member programs to control their players, staff members and fans at all Association Contests.
- 12.6.2 Crowd Control Violations. When a violation of the principles of good sportsmanship occurs so as to endanger the personal safety of any individuals involved, hinder the normal progress of an Association Contest or create situations that may lead to restriction or discontinuance of League competition, the Executive Board of the MHSLA shall contact the administration of the program(s) involved to discuss the situation and attempt to cooperatively formulate a solution to the problem.
- 12.6.3 If the violation is flagrant or the situation persists, the Executive Board shall have the power to invoke penalties upon the member Program(s). The penalties that may be imposed against the program may consist of those listed in the Code of Conduct.

Students should be able to participate in MHSLA sponsored activities in an environment that is free from sexual harassment and sexual violence. Each member program is responsible for taking such action and enacting such policies as may be necessary to address incidents of sexual harassment and sexual violence and to ensure that an environment free of such prohibited conduct is maintained. Any member program which sponsors or tolerates such activity is subject to expulsion from the MHSLA.

14.0.0 DRUG/ALCOHOL POLICY
