

Iceland COVID-19 Protocols for Winter 20-21

Iceland Ice Rink is looking forward to the 2020-21 Winter Season. The facility is operating in accordance with the Governor's Phased Guidelines and New York State's Mandatory Face Covering Order. Iceland has implemented other protocols to mitigate potential exposure and spread of COVID-19. Protocols are subject to change.

Please respect and adhere to all User Group protocols, they may be more restrictive than below to ensure the safety and compliance.

Masks:

- Everyone enters through the front door and exits through the snack bar or skate rental doors.
- Masks are required at all times in the building, including in the bleaches and on the player's benches.
- Mask must be worn over the nose.
- Mask are not required on the ice surface.
- You will be asked to leave the building if you are not wearing a mask.
- Coaches and instructors must wear face coverings at all times, including on the ice and on the player's benches.
- Masks are required for all public skate sessions as well as skating and hockey clinics, classes and camps.
- Players must wear mask while in the building not while they are on the ice.

Distancing:

- One (1) spectator, per player, is allowed in the building. Do not bring your whole family, they will not be allowed in.
- Please keep a minimum of 6 feet distance whenever possible, particularly on the player's benches, inside locker rooms and in the lobby.
- Participants have been limited for all ice rink activities to promote social distancing and staff's ability to facilitate activities safely.

Locker Rooms:

- No locker rooms until games are allowed.
- All players/patrons must come dressed to the facility and avoid using locker rooms.
- There are two (2) areas in the lobby designated for putting on and taking off skates: snack bar (zone 3) and skate rental (zone 4).
- One team per zone.
- These areas are only to put on and take off skates.
- Players must come dressed, their bags are allowed in their area.
- No food is to be allowed to be brought into the area.
- Players and any family member must leave right after practice.

Other Protocols:

- Do not enter the facility if you have any symptoms of COVID-19, if you have been exposed to someone with COVID-19 or if you have been asked to quarantine by a medical professional.
- Activities will focus on local recreation and competition. Out of state competitions (including games) are restricted.
- Participants and contact information must be maintained to assist with contact tracing.
- Please do not spit anywhere in the building.
- Participants should bring their own water bottles and should not share water bottles.
- No handshakes at the end of hockey games

Return to Play:

- If someone has tested positive, they may come to the ice rink after a minimum of 10 days from the positive test, as long as, they have had no fever in the last 24 hours and symptoms have improved
- Individuals deemed to have been exposed may return to the ice rink after 14 days following their last exposure to a positive case.
