I hope everyone is tracking to their volunteer hours and commitment. This week is very busy. We have the Movie/Kidz Night this Thursday at OHD; the OHD concession on Saturday; and our first games this Sunday.

We are all set with volunteers for the OHD Movie Night - WAY TO GO !!!

There are several openings for Saturday at the Town Common. There are still 10 openings at concession.

Many parents love to volunteer for game day activities from concession to MPR's to score board and line crews. We have MANY openings for our first game. Since we just found out we were home this Sunday please check again for volunteer openings. We can't run our games without your help.

## Cheer-Olympics

By Jim Loiselle- EndZone Editor - e-mail: [endzone@lyfs.org](mailto:endzone@lyfs.org)

Coach Kerin Brown of the D14 cheer squad updated the EndZone on the D14 Cheer-Olympics held last week at practice. The D14 cheerleads participated in a weeks long spectacular Olympic-sized event during practice.

Coach Kerin reports...

Some events included the one mile timed fun (???) run....a longest Liberty hold and a really fun dance off where the team needed to exhibit their skills with superior facials and extreme tightness. They participated in several elimination rounds until it came down to the final four.

There were also some team events included in the series.
