The Official Newsletter of Londonderry Youth Football and Spirit

Volunteer Information

By Erin Murray & Mary Reyes – Wildcat Volunteer Coordinators

E –mail erin.murray@lyfs.org - mary.reyes@lyfs.org

As most of you are aware, the Londonderry Wildcats is an organization that is run by its volunteers. We are fortunate to have committed coaches who have spent countless hours preparing for our 2013 season. They also spend a tremendous amount of time during our season committing to bettering our athletes. In addition, our board members contribute valuable time before, during, and after the season so that our organization can function efficiently and competitively.

However, the Wildcats operates and thrives because of our wonderful families who participate in our cheer and football programs. Every family is required to support our organization with a minimal amount of volunteer hours. These hours can be fulfilled before, during, or after your child's event. If you do not want to miss watching your child play, consider coming early before your child plays or staying late to fulfill your hours. There are numerous opportunities to help. There will also be some volunteer hours available on Old Homes Day Weekend on a first come first serve basis.

Required volunteer hours, per family, are as follows:

1 athlete participating = 6 volunteer hours for the season

2 or more athletes = 7 volunteer hours for the season

Head Coaches = 4 volunteer hours

Assistant Coaches = 5 volunteer hours

This year we have a new system to sign-up for your hours. Forget the days of racing to the shed and standing in line for an hour. You will now be able to sign up at your convenience from your own computer.

Go to www.LondonderryWildcats.com on the top menu select **VOLUNTEER SIGN-UPS**

The password to volunteer is **CHECK YOUR E-MAIL OF 8-9 FOR PW**

If you have further questions pertaining to volunteer hours, you can see your team mom or contact:
