Volunteer Update

By **Christine Kriegl** – *LYFS Volunteer Coordinator* - e-mail: christine.kriegl@lyfs.org

We are still receiving registrations for new WildCats on a daily basis. To provide all families with an equal opportunity to sign up for volunteer hours online, we are delaying until later this week the volunteer sign-up process. Look for an email later this week with a sneak peek on positions available, and we will be providing more details during the parent meetings Tuesday and Wednesday.

Football Jersey's

By **Kent Kriegl** – *LYFS Football Director* - e-mail: kent.kriegl@lyfs.org

The WildCats will be handing out game jersey's starting this week and through early next week. We will be taking teams in turn through the process starting with the 8th grade team. The number of football players in the 6th, 7th and 8th grade have never been higher. We have more than enough jersey's (home and away) to go around. Parents we cannot guarantee that kids will have the same numbers as last year. We will be providing the jerseys' by the best size available allowing for number preferences as we can. Please be patient as we go through this process and thanks for your understanding.

By **Erin Murray** – *LYFS Cheer Equipment Officer* - e-mail: erin.murray@lyfs.org

Got a Card ??

By Jen Doucette – LYFS Fundraising Officer - e-mail: jennifer.doucette@lyfs.org

Did you get your WildCat card yet ?? Lots of families have purchased the card and several report already having saved more than they purchased the card for and the year has just started !!

As an optional fundraiser this year we are offering something new, fun, and exciting. It will even save you a buck or two as well. We have created the WildCat Card. This is a discount program card that you can use at a variety of local vendors for savings over and over, and they make excellent gifts as well.

The card PAYS FOR ITSELF.....

Here's an example of how much you can save in the course of a year.....

Our Football Director, Kent Kriegl, after a long day at work and football practice enjoys a little pampering now and then. With his new WildCat Card Kent has been a regular at New Beginnings Nail Salon now.

Over the course of the next year Kent estimates he will save well over a \$100 on his pedicures, because as Kent puts it, "We all need a littler pampering now and then."

Get your card and start being papered too, just like Kent.

We will be selling the WildCat cards at practice – see the Wildcat Warestore

Also available at all our home games and at Old Home Days.

Anyone can buy it – anyone can use it. Everyone can save a ton of money !!

Thanks everyone & Go Cats !
