Played for South Windsor Youth Hockey from Mite Bs to Bantams, and played 2 years at South Windsor High School. His fondest memory from SWYHA, "Mites, when we won the State Championship going 24-0, THAT WAS GREAT". His Pee-Wee A coach was his favorite: Jon Brancati.

He began his private school career as a student at Avon Old Farms where he graduated in 1994 as a three-sport captain in soccer, hockey and baseball. He was also a dorm monitor and was twice named Athlete of the Year. He went on to University of New Hampshire where he earned a degree in sociology, played four years on a hockey scholarship, and participated in three NCAA tournaments.

After UNH he began his career as an executive recruiter in the insurance business before realizing his passion for working with young athletes and with hockey. This is when he returned to the private school lifestyle taking an admissions and hockey coaching position at Hebron Academy in Maine. After two years, he joined the Cushing staff as Head Hockey Coach, Assistant Varsity Soccer Coach and a dorm parent in Price Hall. Mr. Gagnon also assists in the Admissions Office. He enjoys family time and golf is his favorite hobby. Rob Gagnon is in his third year at Cushing Academy.
