Challenger Sports' coaching staff has now spent more than 20 years developing players, coaches and soccer club systems throughout the USA, Canada, The United Kingdom and Brazil. That knowledge and experience is now available to all coaches, administrators, parents and players through a state of the industry soccer website called The Challenger Way.

The Challenger Way is an extremely valuable resource to coaches of all ages and levels. Whether you are new to the game or are an experienced coach looking for new ideas, you will find tried-and-trusted content that will

immediately help your next practice! The website will also provide extremely useful and easy to find information, standard forms and tips for team managers and club administrators. Whether you need help with evaluating players, setting team guidelines or running a large club, The Challenger Way will contain information that can help you.
