

Mulch Madness – 2015
Proctor Landscape and Masonry Supply

~~~~~  
**\*\*Fundraising Opportunity for Leominster Youth Soccer\*\***

**How it Works:** Players solicit Bark Mulch orders from Family, Friends, Neighbors Relatives etc. for spring delivery (or pickup) from our yard between March 1<sup>st</sup> and June 30<sup>th</sup>. Proctor Landscape and Masonry Supply will then donate to Leominster Youth Soccer \$3.00 per yard for each yard purchased. Example: One player refers just one five yard bark mulch order; the league will receive \$15.00. If every player in the league (let's use 150 players) participates just once, the league will generate over \$2,250.00. This could help with costs such as registration, uniform or facility costs, just for some examples. NOTE: This fundraising program cannot be combined with any other offers or contractor discounts.

**Advantages of our Program:** After the bark mulch referral is made, your work is done, we do the rest. We can contact the customer if needed (or they can come in or call), we process the payment and we arrange for delivery (if needed). We'll keep track of the bark mulch sales generated through your organization. We must be notified of the relationship to your organization (and the team or player the referral is affiliated with) AT THE TIME OF THE ORDER in order for your organization to receive the donation. If you have an acquaintance come in or call, please make sure they know the players name and team they play for.

**Store Information:** Proctor Landscape and Masonry Supply is located at 390 Electric Ave. (Rte. 13), Lunenburg – right over the North Leominster/Lunenburg line – just past the site of the old Whalom Park. The store telephone number is....**978-343-4692**.
