Softball asks to pay fee for fields to hold benefit tournaments for select and all star girls. They would pay a fee to rent the fields and all proceeds would go to the select and all star teams. Will find out more information, but should be fine to do.

Softball scholarships for Heather Stanley and two others have not been paid.
Shane will look into what happened.

Clark presented his OG Aces, 10 year old select team to be approved.

1st Motion: Paul, 2nd: Terry All in favor: Yes
