

All -

The tournament games have been loaded into the system. The higher seed (for clarification, the #2 seed is a higher seed than the #7) will be the home team. If there is a jersey color conflict, the away team will wear pennies.

Each team must supply 1 person to help as an off ice official. We need two people, 1 for the score sheet and 1 for the clock. Again, each team will supply 1 person present at the scorer's table.

Other notes:

- (1) There will be a 2 minute warm up with a 1 minute break between periods. All efforts will be made to ensure a game can be completed on time.
- (2) No time-outs in any round until the Championship game. Each team will then get 1 time out of 1 minute in length.
- (3) If a running clock is necessary to finish a game on time, that will happen.
- (4) Minor penalties are 2 minutes in length. No exceptions.
- (5) In the event of a tie:
(other than consolation game which can end with a tie)
 - Coin flip to see who goes first
 - Best of 3 for a shootout
 - If still tied, sudden death shootout 1 player at a time
 - Shooters may only repeat when one team has exhausted all their players. Goalies to do not shoot.

Shoot out eligibility:

- Any player serving a bench minor can participate in the shootout.
- Any player serving a minor penalty will be placed at the end of the team order for shootout purposes. (They will be the last option for team in terms of a shootout).
- Any player serving a misconduct penalty (including a 2 and 10 penalty), or a major penalty will NOT be eligible to participate in the shootout.
