In an effort to make our tournament a success, we will strive for the following:

- 8 to 10 team bracket, teams will be seeded best as possible, two game guarantee (last year we were able to give everyone three games!)
- Two officials will be used for each game
- School teams only, MAISL rules will be in effect
- Players must be on roster entire year, teams from same school may combine
Please return with payment by January 16, 2019. Teams will only be registered on an availability basis after that date.
