

2019 EDGEWOOD BASKETBALL INVITATIONAL

BOYS AND GIRLS

8th Grade

From: Edgewood High School Athletic Association
Chris Zwettler, Boys Basketball Coach and Athletic Director
Lora Staveness, Girls Basketball Coach

January 2019

Edgewood High School is once again sponsoring this grade school tournament to be held on February 16-17. We will be hosting sixteen boys and girls teams in this outstanding event. Tournament sites are Edgewood High School's Earl J. Wilke Gym and the Edgewood High School Krantz Center.

The format will begin with pool play with eight teams from each of the Boys and Girls Divisions advancing to the seeded Championship Round. If we do not have 16 teams entered in this tournament, our pools will be set-up according to number of teams entered. This format guarantees at least three games for every team. The cost is \$225.00.

This is set-up to be an 8th grade tournament & your team **must be** a school or parish team that has played together throughout the year. However, 7th grade teams along with public school teams that have played together during the season, could play and have been allowed to play in previous years.

If you are interested in participating, please complete and return the attached entry form by Monday, February 11, 2019. The first 16 Boys and Girls teams that return the questionnaire will be invited to participate in this year's event. If you have any questions please call 608-257-1023 ext 144.

Sincerely,

Chris Zwettler
