

9th Annual BAA City-Wide 2018 Track Meet

For Girls and Boys in Grades K-5

DATES:

Wednesday April 25th from 5:30 – 7:30 at Kennedy High School

Friday May 18th from 5:30 – 7:30 at Jefferson High School

Note: These will not be drop-off events. Parents should stay at the track.

MEET DETAILS: Participants will compete against others in their grade level, choosing one or more of the following events:

100m

200m

400m

1-Mile Run

Long Jump

Softball Throw

REGISTRATION AND FEES: Athletes may participate in one or both meets. Pre-registration is not required but it is appreciated. This can be done via e-mail and include Child First and Last Name, Girl or Boy, and Grade. We will not be charging fees, but will be requesting a donation (suggested \$3 per child, per meet). Upon arrival to either meet, please check in by signing your child up and picking up a bib number. This bib can be used for both meets; it will help us identify and record times for each runner and distances for each thrower/jumper. Athletes will be divided into age groups and will travel to each event as a group. While they do not have to participate in each event, athletes should be aware of their group's location so they do not miss an event.

VOLUNTEERS: We will again have support of athletes from both the Kennedy and Jefferson track and field teams. They have been a tremendous help over the last few years. The meets also require parent volunteer support. Please let us know if you would like to help.

BLOOMINGTON TRACK CLUB: We will once again form a Bloomington Track Club that will allow athletes a chance to get additional track experience beyond these two BAA meets. We will be holding 3-5 practices and entering (as a team) 2-3 track meets outside of Bloomington (likely USATF meets). There will be more information about this opportunity handed out at our meet.

CONCESSION STAND: We will be running a small concession stand with water, Gatorade and a few snacks.

QUESTIONS: Please contact Paul Roach (paulroach4948@gmail.com) or Betsy Longley (threelongleys@yahoo.com) with any questions.
