

ULYFL – Application for Grant (CONFIDENTIAL)

ULYFL recognizes that there may be situations where there may be a need for financial assistance for our youth to take part in our Fall program. We do offer a one time grant program for registration ONLY for families in need. This does not include team costs, gate fee's, etc. This is strictly for registration into the league.

As this is a 100% volunteer run league, we would love if you can offer some extended time/hours helping on games days at the concession stand or gate. While this is not a requirement for the grant, we appreciate all the help we can get.

By signing below, the undersigned agrees that, if this application is accepted, he/she will volunteer extra time in exchange for registration fees for his/her child(ren) for the current season. I/we further acknowledge that if this application is accepted, the grant will only be for the current season and understands that it is not guaranteed that grants requested in the future will be approved. (Volunteer duties may include: Concession, Gate Duty, Grill, etc).

In the space below, please indicate what volunteer position we can assign you do before or after your child's game during the 2019 season:
