## **2019 Family Volunteer Fee Donor Program**

Thank you for considering donating to Canyon Creek Little League!

### Why donate to Canyon Creek Little League?

CCLL is a non-profit, community based, all volunteer organization dedicated to providing the best opportunity to all youth, regardless of ability or gender. Within our boundaries, Canyon Creek Little League is limited to playing fields that belong to the city of San Ramon. Due to the rapid growth of our communities and budget constraints, the leasing fees for fields and facilities within the city are projected to increase. With a greater percentage of registration fees going to cover these costs, CCLL needs to raise additional funds in order to maintain the little league experience for the youth within our community.

### Where Does the Money Go?

Every year, Canyon Creek Little League spends the vast majority of the fees collected from player registrations to provide uniforms, umpires and safe team equipment for all baseball teams in the League. A significant portion of funds also goes towards leasing of the fields, grounds, and other facilities from the city of San Ramon. Given that the league schedules over 1200 practices and games across ten fields used by hundreds of players and their parents, the funding needed to maintain and enhance the Little League experience for the community is significant.

The Canyon Creek Board of Directors has identified several areas of improvement for 2018-19 including improved training and the installation of batting cages. While the city needs to review and approve all enhancements, they will not contribute financially to these efforts.

As a result, it is up to Canyon Creek's fundraising efforts to generate the funding necessary to improve and maintain the facilities for all players in the League.

### Ways you and your family can donate:

- Provide a financial contribution at a level that feels right for your family. CCLL Family Donors will be recognized on the CCLL website.
  
- Donate your family's \$300 volunteer deposit fee. All players' families make a mandatory \$300 deposit, at registration, towards volunteer hours. **CCLL relies on volunteers to make the program successful!** However, if you are inclined to do so, please consider donating your family's \$300 volunteer deposit fee to CCLL.

The Family Donor Program is available to individuals and CCLL families; we ask that businesses and corporations consider supporting CCLL through our [sponsorship](#) program.
