### Tiebreaker rules

For \*all\* playoff games ending in a tie, in the interest of time, we will immediately go to a penalty shootout. Shootout rules are as follows:

- 
- 5 player penalty shootout.
- If still tied after 5 players, it becomes a 1 vs. 1 shootout until we determine a winner.
- Shooters can be anyone on the roster, they don't have to be on the field at the end of play.
- Shooters can't shoot a second time until all players on their roster have gone.
