

## Job Description

The City of Stevens Point is seeking a Park and Recreation Facilities Supervisor to become an integral part of our team. The Park and Recreation Facilities Supervisor is responsible for the overall management of the multi-purpose building (Willett Arena) and outdoor swimming pool including preventive maintenance, repairs and scheduling. Employee is also responsible for scheduling events at the community stadium complex and assists in coordinating City-wide special events.

Stevens Point is centrally located in the state with a population of approximately 26,000 and is located on the Wisconsin River. The community has earned a reputation for an exceptional quality of life provided by ample recreational opportunities, great residential neighborhoods, successful commercial/business areas and community mindedness. We are home to the University of Wisconsin – Stevens Point as well as MidState Technical College. As an employer, the City provides an engaging work environment focused on collaboration and team building striving to attract, develop, and retain talented employees. We value differing perspectives, and empower employees to share their ideas. Diversity and inclusiveness enhance our employees' ability to be thoughtful, effective and efficient while providing the very highest level of municipal service to our community.

## Qualifications

- Bachelor's Degree in Recreation, Public Administration or related field.
- Two to three years of experience performing similar duties.
- Possession of a valid driver's license issued by the State of Wisconsin and good driving record.
- Possession of a valid State of Wisconsin Pool Operator's License – or ability to obtain within 1 year of employment.

## Salary/Salary Range

Starting salary: \$57,741 - \$60,965
