NHYFSC Elite Cheer Teams:

During session 4 the audience and cheerleaders were the first to see a special show of the 4th Annual NH Elite Cheer teams. The NHYFSC Elite Red and Elite Blue teams performed their routine for the spectator bringing the crowd to their feet. The Elite teams are made up of athletes from various associations throughout the conference. These athletes were chosen through a tryout process. Both teams will advance to AYC National Championships to compete against teams across the nation.
