

THUNDER JO VOLLEYBALL

THUNDER FAMILY!

This is the first monthly e-newsletter we will try to send throughout our season! These newsletters will contain club announcements, updates from tournaments, & other various information that we think will help players & parents become the best athletes & people they can be.

UPDATES FROM THE POST-SEASON SURVEY RESULTS

Thank you for all who took the time to fill out the post-season survey! We wanted to share the top take-away's from the survey, and what our club plans are to improve based on the feedback we received. We strive to grow & improve our club every year to have the most competitive, thriving, and excellent teams and athletes.

1. More Communication Club Wide

Our Plan: Monthly Newsletter, More Social Media Posts, Bi-Monthly Open Forums

As stated before we will send out a monthly newsletter which will contain club updates & announcements. Secondly, we will increase our posts on Facebook and Instagram particularly with tournament updates. Finally, we plan on hosting an open forum which the commissioner and a few coaches will "host" where parents or players are welcome to ask questions, give suggestions, and voice any concerns.

2. Players (& parents) want more competitive & driven teams

Our Plan: Expand our pool of players

We are reaching out to other schools to inform them about our club and invite them to play for us. This means Burnsville players will no longer receive priority to make teams. By increasing our player pool, we will be able to build the most competitive teams with the best players available. This also means we are dropping "Burnsville" and will just be Thunder JO Volleyball, and we are getting a new logo as seen at the top of this newsletter!

3. Strength & Conditioning was good, but it needs some improvements to be more effective

Our Plan: Include strength & conditioning during all teams' practices

Jim Inglis Fitness will continue to advise our coaches and train them in effective methods to enhance all athletes' performances and will attend occasional practices to run the program that night. Instead of having some players complete training, all players will enhance their strength and conditioning which will help the athletes grow and the teams be more competitive. Additionally, players will not have to come early or stay late to complete strength & conditioning, as the training will occur during practices.

SEPTEMBER 2018

THUNDER JO VOLLEYBALL

OTHER ANNOUNCEMENTS

INFORMATIONAL MEETING (WED, OCT 3RD)

We will have an informational parent & player meeting on Wednesday, October 3rd at 6:30 PM. Location will be determined in the next few days, so check your emails for that information! If you or your player has any questions regarding our club or would like some more information on the teams this year, please consider attending this meeting.

TRYOUTS (OCT 8 & NOV 11)

Tryouts for our 12s, 13s, & 14s teams are on Monday, October 8th. 12s will go from 6-7:30PM and 13s-14s will go from 7-9PM.

Tryouts for our 15s & 16s teams are on Sunday, November 11th at 7:00AM.

Locations will be determined shortly, so stay tuned!

OUR NEW MISSION STATEMENT

To develop well-rounded athletes into the best people they can be by providing competitive, thriving, and excellent volleyball teams

FOLLOW THUNDER JO ON SOCIAL MEDIA

If you are not already following Thunder JO on social media, please do! We post pictures, events, and other announcements on our accounts, so please check them out!
