

Lower Bucks Lacrosse was founded in 1993 to promote the sport of Lacrosse in Bucks County, Pennsylvania. The organization strives to emphasize the development of boy and girl lacrosse players, emphasizing teamwork, sportsmanship, respect, and discipline and employing coaching methods that provide a positive, rewarding experience for players on and off the field. We offer programs for boys and girls from pre-K through 8th grade during the spring season. We also offer clinics during the other seasons so players can further develop their skills.
