

2021 FUND RAISER

RHAA is always attempting to improve various aspects of the complex. We need new backstops, fence repairs, batting tunnel down below and others.

In order to raise money to facilitate those improvements, we have decided to give each player three \$5 dollar lottery tickets. You have already paid for these as part of your registration.

You can keep them for yourself or sell them.

If the ticket number matches the June NYS lottery NUMBERS evening drawing, you'll win \$50 on weekends or \$25 on weekdays.

Tickets distributed prior to June. To win, filled out tickets must be turned into the concession stand.

GOOD LUCK
