GIRLS HOCKEY DEVELOPMENT CLINIC II

4 WEEK | 8 SESSIONS

501 (c)(3) non-profit and a volunteer run organization

Learn to Play and have Fun too!

Our Girls Development **Clinic II** is a great way for confident skaters to continue their hockey development in a safe and fun environment. The program is developed for girls ages 4-12 who have successfully completed our Clinic I or another learn to play program and want to take their hockey development to the next level. Players meet twice per weekend for skills on Saturday and cross ice scrimmages on Sunday putting them in "real game situations". **Register today!**
