

## IMPORTANT INFORMATION – PLEASE READ BEFORE REGISTERING

### REGISTRATION TIPS

With so few slots available - we expect all clinics to fill within a minute or two of registration opening. Here are some tips so that you do not have any delay:

- 1) Go to **EDIT MY ACCOUNT** on the left side bar of [www.cascadevolleyball.com](http://www.cascadevolleyball.com)
- 2) **LOG IN NOW** to make sure you are using the correct password and you have no trouble getting into your account - if you do, reset your password now
- 3) **Doublecheck** all of your child's information, ESPECIALLY check to make sure the grade listed in the account matches the grade you are trying to register her for. If our program says for 9th graders - it will only allow those to register that have 9th grade listed in the account.
- 4) Be sure to have a **SCREEN SHOT or ELECTRONIC** copy of your card (png, jpg, gif, pdf, doc) and ready to upload into the registration. You will not be able to proceed without uploading that.

Contact us **ASAP** if you have any issues with your account that you can't correct yourself and we will be happy to help you.

### IMPORTANT REGISTRATION AND CLINIC INFORMATION

**PLEASE NOTE:** if you have already purchased a USAV membership with an expiration date of at least December 31st, 2020 or August 31, 2021 - you will not need to purchase a new one. All other players will need to purchase either a Tryout membership (U12 & Up) or a Developmental Player membership (U9-U11) expires August 31st, 2021.

This year there is a new 3-step process for USAV memberships. Please visit [psrvb.org](http://psrvb.org) and read instructions carefully and watch videos provided on the [psrvb.org](http://psrvb.org) website.

- 1) Parents create a SportsEngine account if you do not already have one.
- 2) Purchase the appropriate membership.
- 3) Screenshot membership card.

#### **USAV Upload Instructions for Cascade Registration**

**Option #1** When you purchase your player's USAV membership print out the player's membership card PLUS take a screenshot of the membership card, which will pop up right after you make the payment. You can upload that screenshot when you register for a Cascade clinic.

**Option #2** Download a screenshot of your USAV membership from your SportsEngine account: a) login into Sports engine, b) click on Household, c) tap on player's profile picture or initials, d) take a screenshot of membership information - screenshot should show type of membership and expiration date, and e) upload during registration for Cascade clinic.

With the VERY HIGH DEMAND of our clinics and so few spots available per clinic - we are requiring USAV purchase in ADVANCE of registering. For those that have never purchased USAV before, this may be frustrating to you if you purchase a membership and then do not get into the clinics. The membership is \$15.00 and so please evaluate if this fee is worth it to you. This membership is valid across all clubs, so if you do not get into a CASCADE clinic, you can go to [PSRVB.org](http://PSRVB.org) and find other clubs that may be offering options.

#### **OTHER IMPORTANT NOTES BEFORE PROCEEDING:**

**MUST HAVE CASCADE ACCOUNT** We are happy to help you create one. Please contact immediately if you do not have an account so you will be ready to register for our clinic when once registration opens. These spots fill quickly and we want to be sure you don't miss registering.

**BE CONSIDERATE** For multi-week sessions, please only sign your player up if they can attend ALL sessions - only exception is an emergency (sick, injury, etc). This last session we had several cancellations and with the demand so high, it is not fair to those trying to get into clinics.

**STRICT REFUND POLICY IN EFFECT** Do NOT sign up for more than one clinic - if you do, we will automatically remove the player from the second clinic and provide a refund minus the processing fee. If you make a mistake and sign up for two clinics in order to get into the right one, we will still have to charge the refund fee.
