Playing Experience

U12-U17 Cascade Volleyball club

U18 Absolute Zero

4 High School Varsity at Garfield High School

4 years at The Evergreen State College

Officiating Experience

I have officiated throughout the years since 2006 and the start of club. Learned how to officiate the first year/score table. Then as a coach, was more hands on as an official for each team. I was also able to volunteer as an official for this last year's regionals as a day official (both the younger age groups and older age groups).

Education

Evergreen State College – Bachelor of Arts
