

PSR/SPORTS ENGINE USAV Membership Information

Please confirm your membership is applicable to the timeframe of the program offered. USAV membership allows players to participate in any USAV sanctioned event and is required for our club insurance.

There is a 3-step process for USAV memberships. Please read instructions carefully and watch videos provided on the [psrvb.org website](http://psrvb.org). Cascade VBC does not manage the PSR/Sports Engine websites.

- 1.) Create a SportsEngine account if you do not already have one.**
- 2.) Purchase the appropriate membership.**
- 3.) Print and screenshot membership card so it is ready to upload during the Cascade registration process.**

IMPORTANT: USAV Upload Instructions for Cascade Registration

Option #1 When you purchase your player's USAV membership print out the player's membership card PLUS take a screenshot of the membership card, which will pop up right after you make the payment. You can upload that screenshot when you register for a Cascade clinic.

Option #2 Download a screenshot of your USAV membership from your Sports Engine account A) login into Sports engine B) click on Household C) click on player's profile picture or initials D) take a screenshot of membership information - screenshot should show type of membership and expiration date E) upload during registration for Cascade clinic
