

Hometown Teams. . . . Hometown Kids

Dear SCRA Baseball and Softball Family,

The South Charlotte Sports Report is very excited to have a photography relationship with the South Charlotte Recreation Association this season. We are so excited to offer our services to so many of our friends. SCRA, the families and student-athletes have been outstanding supporters of The South Charlotte Sports Report since our inception in 2006. We have featured many of your children and teams in our newspaper. I am excited to announce a special feature for the SCRA teams! We plan to print all of the team photos in our next few issues of the South Charlotte Sports Report!

Our approach to photo day is unique in that we operate with an emphasis on customer service, friendly smiles and we take our time to make each interaction a positive one. The customer comes first with The South Charlotte Sports Report and our photography division.

Our commitment to the SCRA families also includes:

- Highest quality of photographs possible
- Fast, friendly attention to any need
- Promotion of the Program and its Student-Athletes
