The First Ever Major Capital Campaign for the Greater Canandaigua Civic Center

Major Expansion & Facility Improvement

Goal: \$861,500

May 2018

To our friends & neighbors in Ontario County:

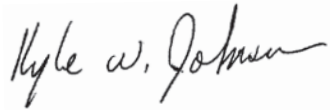

The Greater Canandaigua Civic Center, a 501(c)(3) organization founded in 1992, has launched **its first major capital campaign** to raise \$861,500 to **update our facility and strengthen our community programs.**

The Civic Center serves Ontario County communities from Canandaigua to Naples, Farmington to Shortsville, Bloomfield and Victor with our **45,000 visitors each year.** We provide year round event space for over **100 events** and seasonal ice time for hockey, public ice skating, figure skating and lessons.

Thanks to our fiscally responsible Board of Directors, we are well positioned for this campaign.

We are proud to have **received a gift of \$500,000 from an anonymous community donor** who has challenged us to raise the balance of our goal, \$361,500, from the community!

Our community fundraising campaign has officially started. We ask you to join us and make a donation today!
