Fall Season Program Objectives:

1. Provide kids an opportunity to prepare for the upcoming Jefferson County Basketball Conference League.
2. Continue to provide our Basketball Community an inexpensive Off-Season (Fall) youth basketball skill development opportunity.

Emphasizing the following:

- Re-enforce fundamental basketball skills the kids will need to continue to be successful
- Introduce offensive & defensive skill drills that the kids can do at home
- Provide opportunity to build an "Open Court" program within the community to allow youth players to informally compete against each other after participating in various skill development sessions.
- Help build our kid's social skills so they learn how to organize themselves into pickup games
