DOS & DON'TS

To ensure that camp runs efficiently and effectively we ask that the following protocols be followed:

- Do...have your child at camp on time each day.
- Do...utilize the Drop Off areas and assigned parking for parents.
- Do...ask questions of camp staff during camp or coaches after camp closes each day.
- Do...encourage your kids to learn and HAVE FUN!
- Do not engage Players or Coaches for autographs during the camp sessions. There will be time for this at the end of each day or at Camp Closing ceremony.
- Do not park in the Coaches/Staff parking area.
- Do not come out onto the field during sessions or when players are on water breaks.

WHAT DOES "ELITE" MEAN?

E : (Maximum) EFFORT. Our coaches focus on ensuring that attendees learn how to give maximum effort at their craft. Football, unlike other sports, asks you to give your most when you are physically and mentally at your max...it is physically, emotionally and mentally challenging unlike no other. Giving your maximum effort, including making the commitment and sacrifices required to succeed, is a topic our coaches stress each day.

L : LEADERSHIP. Playing football provides an opportunity for players to learn many skills—one of which is how to be a leader. As a great football coach once said, "Leaders aren't born, they are made. And they are made just like anything else, through hard work." That is a quality we stress throughout our camp.

I : INTEGRITY. A key component of this camp is focused on the integrity required to be a student-athlete. The commitment that comes with that to themselves, their family, team and community.

T : TEAMWORK. The importance of teamwork is a major focus at our camp. Football requires 11 individuals to work as one on the field – on offense and defense. It also requires scout teams and others to ensure the overall success during the week. A critical aspect of camp is teaching what being part of a team is all about.

E : EXCELLENCE. Every position in football requires the proper techniques – from linemen to receivers. Our camp stresses the importance of basic skills required to excel at each position. Becoming fundamentally sound makes excellence attainable.

Tallent started his career with Harrisonburg High School and spent 13 seasons as an assistant coach and was a part of the 2001 state championship team

The AYFL ELITE FOOTBALL CAMP puts players ages 8 through rising 9th graders out on the field to learn the game of football from coaches and players at the high school, college and pro level. Our staff is committed to providing the children a fun, yet competitive environment as we teach the fundamental skills necessary to become better football players, better athletes and stronger leaders. The campers will participate in 3 straight days of practices. During these practice sessions they will be taught position specific fundamentals of the game as well as participate in offensive and defensive drills, skills challenges and games to help them apply these fundamentals on the field of play. Day 4 of the camp will wrap up with a scrimmage session to allow the campers to participate in game like situations. We will close the camp with a motivational speech on team work, attitude, character and decision making.
