

If you're interested in purchasing a helmet for your football player, you have several options.

1. On April 20th, a Riddell equipment specialist will be at our walk in registration at Anthony's Coal Fired Pizza from 6:30 – 8:30 pm. The newest Riddell helmets can be purchased with a personalized fitting available.

There will be 3 Riddell models options. All are top rated helmets with the Virginia Tech helmets rating system.

1. SPEEDFLEX.....\$220 + shipping

2. SPEED.....\$145 + shipping

3. SPEED CLASSIC.....\$105 + shipping

2. Schutt helmets are also available through our equipment vendor, Sportsman's. Their catalog is available online at www.teamsportsmans.com. If you have an interest in a Schutt helmet, please contact Steve Kio at smkio63@gail.com, as the vendor is a wholesale dealer and doesn't generally sell individual purchases. Steve will add to the SVJFAC existing order on your behalf and get you the best price available.

3. The third option is to purchase Xenith X2E helmets that SVJFAC will have available at equipment hand-outs. If you already own a Xenith helmet, there may be the opportunity to purchase at cost the new aggressive looking (Pro-Style) facemasks. Steve will have more information at equipment hand-outs.

Remember that SVJFAC will buy back your old helmet for \$50 if your child has outgrown theirs or if you just want a newer one.

Contact Steve Kio, SVJFAC Football Coordinator, if you have any questions.
