

Meet the Coaches!

Vladi Kouroedov

Playing since age 5 in Siberia, Coach Vladi's experience on the ice lead him to play for the Russian Junior League and later the Soviet Elite League for Spartak Moscow. After his move to North America, Vladi continued his ice hockey career in the EJHL with Applecore and also had the pleasure of playing with the Daytona Breakers in the now defunct CHL as part of the training camp squad. He also played with the Knoxville Speed in the UHL and ended with the Jacksonville Lizard Kings in the ECHL.

Coach Vladi has experience as an assistant coach and power skating instructor for the EPHL with the NJ RockHoppers, who won 1st place in 2008. Another significant triumph from Coach Vladi's coaching career includes an appearance at the national tournament with U16AA and U18AA teams. His emphasis on power skating technique has shown vast improvements in the players he helps develop. Vladi is a level 4 USA Hockey coach and serves as the director and head coach of the VSK Wings Hockey League.

Slava Kouroedov

Coach Slava began his hockey career playing in the Russian Junior League and continued his career as a member of the Spartak Russian Team and the Kedr Tomsk Russian Team. Upon his arrival in the U.S.A. Coach Slava played with NY Applecore's college development team in the EJHL and later played in the UHL with the Knoxville Speed.

A level 4 USA Hockey coach with four years of experience in coaching youth hockey, Slava believes there is no substitute for a hard work ethic on the ice.

Sergei Starikov

Two time Olympic gold medalist with the Russian National Hockey Team in 1984 and 1988, Sergei Starikov also briefly played in the NHL with the New Jersey Devils before returning to the KHL as an assistant coach for the SIBIR, Dynamo, and Barys teams. Sergei previously coached the Verona High School hockey team, and currently is the head coach for the South Brunswick High School varsity team.
