This Spring Season, the Jr. Stars program will be focusing on *Team Concepts* on their 90-min Wednesday practices. Squirt through Bantam/Midget divisions will have 45-minutes of team concepts and 45-minutes of skills training. Professional training will include the following:

- **Full Ice Team Concepts.**
- **Game Theory and Situations.**
- **Learning the Fundamentals of the Offense and Defense Positioning.**
- **Power-Plays and Penalty-Kills.**
- **Controlled Scrimmages.**
- **Strong Focus on Teamwork.**

Wednesday Practices - 90 Minutes
(Mites 60 minutes)

Saturday Practices - 60 Minutes

Saturday practices will feature a strong focus on powerskating to strengthen our players skating abilities. Players will learn edge-work, stride, balance and other key powerskating techniques.

Both Wednesday and Saturday practices will feature a series of skills stations that will provide core fundamentals such as:

- **Puck Control and Stickhandling.**
- **Shooting Accuracy and Technique.**
- **Passing and Receiving the Puck.**
- **Fun Small Area Games.**
