

ACADEMY PRACTICE FIELDS

LOCATION:
2155 Main Street,
Glastonbury (Behind Town
Hall)

CHECK-IN/CHECK-OUT

1. The parking row closest to the field in your designated area is reserved for the team's coaching staff.
2. All players are required to complete and submit a self assessment form. It must be submitted on or before 3:30pm of their scheduled practice. We will be using a google form similar to the one used by the schools so it will be good practice for your return to school. If the self assessment is not submitted or any questions are answered FALSE, please contact your team manager as your player will not be allowed to participate at that practice.
3. Each team's designated check-in station and section of the parking lot for their parents is listed above.
4. Players must remain in their cars until called over by their team's check-in person. This is both to ensure orderly check-in and to minimize the risk of a false temperature reading as a result of exertional stress.
5. Players must wear masks from their cars to the check-in table and through the entire check-in process.
6. Players must pass a temperature screening.
7. Players must show the check-in designee that they have sufficient water for the session. There will be no team waters provided.
8. Parents are not to leave the premises until they have seen their child has passed the check-in process and is approved access to the field.
9. Unless your player's age, or another unique factor prohibits you from leaving the practice site all parents are requested to leave the practice facility after your child has passed the check-in process. IF ON-SITE, SOCIAL DISTANCING AND FACE MASK REQUIREMENTS SET FORTH BY THE STATE, TOWN, AND BOARD OF ED MUST BE FOLLOWED.
10. Our contact tracing model requires that ACCESS TO PRACTICE FIELDS BE RESTRICTED TO COACHES AND PLAYERS ONLY.
11. At the end of practice your child will be dismissed from practice directly to your car. They will not be allowed to congregate. At dismissal please remain in your car in your designated section of the parking lot.
