The following are **NOT** required to complete this form:

1. A player who resides in a city or town which does not have a registered Mass Hockey affiliate association who has joined another city or town association shall be deemed to be a member of that association for his/her youth hockey career and shall not be considered a non resident player in their original association. This form is not required in this case.
2. Midget players and players rostered on a National Bound Bantam team are not required to complete this form.
3. Girls/Womens (G/W) players participating above the G/W Tier III level are not required to complete this form.
4. A player who relocates and who remains a member of the city/town association he/she has played for previously will not be considered a non resident player for as long as the player stays with the original program and, therefore, need not complete this form.

This form must be retained by the local program and submitted along with the roster if the program is requesting a District level roster exemption vote.
