4th Annual Lake Villa Shoot Out

2 Weekends - May 11,12 and May 18,19

70 Lax Teams! All Youth Levels!

1 Goal - **TROOP SUPPORT!**

Every team attending will be playing two games at the Lake Villa Timberwolves facility. Full concessions will be available. Please, no pets. We are currently working with the military, law enforcement, fire department and first responders to add events to an already great day of lacrosse.

The Lake Villa Timberwolves have re-enlisted in their efforts in supporting this nations troops serving overseas. This is our fourth year and we are proud to introduce the SPARTANS of SFAAT, **S**pecial **F**orces **A**dvisory and **A**ssistance **T**eam, attached to the 101st Airborne. These men are tasked with the difficult mission of integrating with the Afghan National Army (ANA), and assisting in the transition of control to Afghanistan.

We will be collecting items to be shipped to the troops on both weekends of the Shoot Out. A list of suggested items can be found [here](#). We would love to see your support and help in "filling the trailer" with donations to the troops. Hand written letters to "Dear Soldier" are also a big hit to those stationed away from their families.

A limited number of commemorative T-shirts will be on hand. Pre-order with your team to guarantee getting one. All proceeds from T-Shirt sales go directly to covering shipping costs for care packages and purchasing additional items for the troops.
