

You are cordially invited to join us for a fundraiser benefiting the Geneva Baseball Association 11 Blue Travel Team!

The Geneva 11 Blue Travel Team consists of 12 of our communities most talented and dedicated baseball players. This season the team plans on participating in numerous tournaments both locally and out of state. These tournaments give the players an opportunity to play ball at a competitive level that will help them to develop their skills and build a foundation for a bright future in competitive baseball. This level of tournament play is costly, so we are reaching out to family, friends, and neighbors for financial support.

Zanies require a final count 10 days and up to 1 week prior to the event (January 23rd). They will email procedures and show information, so along with the \$20 cash per ticket, we also need to collect the name and email addresses of the attendees (don't forget to include your names and email address). Please use the table below and direct any questions to me.
