

Nashua PAL Force

PO BOX 965
Nashua NH 03061
www.nashuapalforce.com

Welcome to the 2016 Force season! We are excited to get the season started. But first, we have some paperwork to collect.

The state requires the following forms:

1. NHYFSC Registration form. After you sign your child up on the state website, there will be a link to print registration paperwork. Please print the two page form that says NHYFSC in large letters across the top of page one. Please ensure all the information on the form is correct. Also, the emergency contact must be someone **OTHER** than the parent/guardian listed on the form.
2. Medical Release. It's easiest to use the form provided by the state. It must be dated in 2016 and can **NOT** have a future appointment date listed on it. That becomes a void by date. If you choose to use a medical form provided by your physician, it must be dated in 2016 and must state the player is cleared to participate in sports. The medical can be from 2015, but again, it must be dated 2016.
3. Concussion Form. This needs to be signed by a parent/guardian **AND** the athlete, regardless of age.
4. Anti-Bullying Contract. This needs to be signed by a parent/guardian **AND** the athlete, regardless of age.
5. Report Card. We need a **FULL** copy of your child's 2015-2016 report card. We must be able to see all four quarters. What else must be visible? The child's name, the name of the school, the school year, the grade in school and the grading scale. If the report card is five pages long, we need all five pages.
6. Nashua PAL Force Code of Conduct.
7. Nashua PAL Force Acknowledgment Form.
8. We will also need a copy of your child's Birth Certificate (if your child was with Force in 2015 we should have it). The birth certificate must be signed by the town/city clerk or registrar. Valid, current passports are also acceptable. Foreign birth certificates must be translated into English. Hospital birth certificates or announcements are **NOT** acceptable. You will not be getting your birth certificate copy back, so please only provide a copy.

If you have any questions, please contact Jaclyn Leonardi at palforcefootball@gmail.com with football questions or Jennifer Hall at registrarpalforce@gmail.com with cheer questions .
