

SCOR Mission Statement

The Mission of SCOR is to provide a safe and fun environment in which the youth of our community can develop a love and appreciation of the game of soccer, develop as players and athletes, learn the ideals of good sportsmanship, build character and develop as responsible citizens.

Travel Program Mission Statement

The mission of the SCOR travel program is to provide a highly competitive and demanding environment in which players, ages 8-18, who are willing to make the commitment, are given the opportunity to develop to their fullest potential and compete against teams from outside of Ridgefield.

House Program Mission Statement

The Mission of the SCOR House Program is to provide a recreational environment in which:

- Players in grades kindergarten through 3rd grade can build individual skills and develop concepts of soccer and are encouraged to take individual initiative in game-like situations.
- Players in grades 4th through 9th can enjoy the game of soccer without the commitment or competitive intensity of the Travel Program.
