Present:

Sasse
Coffin
Jasminski
Barlow
Critchell
Collins
Rao
Murdock
Healy
Rychlik

Others: Bergen

Approval of October minutes

Member comments: none

President:

great season, great tournament. Next SWD meeting: Nov 21

Treasurer:

- \$20,000 profit for tournament, a significant improvement over next year. This could give the Club a modest surplus for the calendar year . . . which could allow Club to enter 2014 with a reasonable surplus account for future needs.
- Key swing factors to annual budget are tournament and summer camps.
- Discussion about different payment solutions that might save the club money in credit card processing fees.

Development:

- Tournament a great success.
- Only 28 tickets sold at present for Winter Ball. Club needs to make a big push to boost ticket sales.

Website / communication:

- site has been stable recently

Fields:

- P&R Budget Committee interested in meeting with SCOR to discuss drainage issues at VP, Onalfo and ERMS. Field Lining expenses should come in budget. Seeking a replacement for Fields VP.

House:

- good season. Ready to start working on next season.

Special programs:

- good turnout for first indoor session. 1G and K already filled. Will investigate second session. Girls travel numbers are down.

Academy:

- good soccer season
- after first week, games were competitively balanced.
- Tournament competitiveness was significantly improved over last couple years due to prep sessions and 6v6 format.
- Have identified some improvements we could make in communications with parents regarding photo day, tournament volunteering and pro coaching observations.

Coaching:

- Good season. Use of SCOR coaches in high school program was beneficial . . . but also created more scheduling conflicts than in the past. Will reconsider this next fall.

Travel:

- 5 teams made playoffs, 3 were champions
- parent survey to go out shortly
- spring planning to begin soon, April 2 practice kickoff
- hot topics include: u9 plans, u10 parent onboarding, u14 B teams

Meeting Adjourned: 9pm
