Girls program doing so well this year-at the HS and the U level-3 teams still in State Cup-programs are working for both boys & girls

Indication of a healthy program

All in all, everything going well-

Moved 5 coaches up to HS-not alot of conflicts; trying to get the same coach sub each time for continuity

Trouble shooting: 2nd grade boy acting violently to another teammate - after the coach speaks to boy and Director speaks to parent, if it happens again, child will be off the team.
