## GIRLS' JUNIOR HIGH TEAM CAMP

Olentangy Liberty High School/ June 17-19

**Camp Features: Individual skill development, Team practice time, daily games against other schools, Player/Coach Ratio 8:1, Great Facilities**

**All State Camp Goals:** The primary purpose of our camp is to develop individual basketball skills while emphasizing the importance of teamwork, self-discipline, and sportsmanship. We aim to help motivate each camper not only to set high goals for herself, but also to learn realistic ways to approach the attainment of those goals. We want our campers to grow to appreciate the necessity for fundamental correctness as well as the value of practice. Competition will provide an opportunity for them to apply skills and techniques that have been learned. **Our main purpose is to provide an opportunity for head coaches to work with their younger players in their program through practice and competition.**

**Instruction:** These 3 days of instruction, provided by highly qualified basketball coaches from outstanding area programs, will give each player an opportunity to improve their skills individually and gain a greater understanding of the mental aspect of the game. There will be instructional sessions, drills, team practice, and competitive "live" games with their school team and coach. Prospective campers will be contacted by their Varsity coach and will be instructed and coached at camp by their schools' staff as well as coaches from respected area teams. Throughout this process the competition and experience will be challenging, rewarding, and a valuable tool in the development of the individual and of the team.
