

Field Items:

- WEEDS:
 - NOTE: there are "Loop Hoes" available for weeding that make it MUCH easier on the hands & knees...[here's a video demonstration](#) (watch from 1:42-2:38+)
 - Remove weeds inside & outside the fence lines including warning tracks & in bullpens. Weeds should be raked up and discarded in the pile on the east side of the complex between Bronco & Colt Fields.
 - SHETLAND FIELD: Weed infield
- DUGOUTS:
 - Remove any trash in the dugouts and sweep them (including scraping out the dirt that accumulates under the benches)
 - Remove any bird nests or other "critter-homes" from the dugouts that were built over the winter
- SHEDS: Clean out the Equipment Storage Shed/Closet
- Collect any trash that has blown onto the field, is stuck in the fences or is an area around the field

PARKING LOT & COMMON AREAS:

- Collect any trash that has blown into the fence and area along the West Drive (along pond)
- Collect any trash in the parking lot, tree areas, grass areas and ditch on the north side of the complex
- Pull weeds/"trees" around the dumpster
- Install trash cans at all fields and around complex (coordinate this task with Brian Thede mcponybb@aol.com...he has access to trash cans, etc.)
- Clean up Umpire room (coordinate this task with Brian Thede...mcponybb@aol.com)

CONCESSIONS & COMMON AREAS:

- Hang Batting Cages
- Roll up & move sections of turf (tractor will be needed, please work with Steve Brusco – 309-212-2416)
- Remove any birds nests or other "critter-homes" from the Concession pavilion (including anywhere around the Concession stand/fenced area on South side of Concession stand) area that were built over the winter
- Pressure wash the concession picnic tables & concession pavilion floor
