FAQs about Membership Usage

- Only guaranteed 30min/week, but if open can use for longer.
- You can book for the next week at same time slot immediately after usage.
- You cannot book more than 1 week out.
- You can bring friends in that are members and share cage space.
- You cannot have more than 4 players in a full cage or 2 in a half cage at one time.
- You cannot 'pool' weekly time slots to reserve a cage for extended periods of time.
- You cannot bring a non-member friend without them paying 50% of the normal rental fee.
- 1 hour is the consecutive max time in a full cage. For example, 4 friends (*all members*) want to use a cage. This is allowed. However, they cannot use each of their 30 min to reserve the cage for 2 hours.
- You cannot bring in your own instructor unless they are your team coach or immediate relative.
- All instruction must be provided by K's Academy approved instructors, Josh Kauten or Chris Razo.
- All private instructors will be subject to a rental fee regardless of player's membership status.
- All patrons will begin pick up 5 min prior to end time to ensure the next patron begins their session on time.
- A coach's level is determined by how much experience in playing/coaching and hours of lessons administered.
