

According to the PONY League records a parent or guardian of the players noted on this schedule has agreed to volunteer in the PONY Concession Stand in lieu of buying out of the obligation. It is therefore expected that an adult or guardian of the player indicated will report at or prior to the designated Start Time. Every Start Time is not necessarily the start time of that game. Workers may trade shifts for convenience. If there is an issue keeping a commitment, please contact the PONY League Concession Committee at [mcpbconcessions@gmail.com](mailto:mcpbconcessions@gmail.com) in advance so other arrangements can be made. Please do not skip the shift or show up late without notification. There will be a \$40 missed shift fee charged to your account. Do not hire someone to cover your shift or expect a child to work in place of an adult unless they are on the list of qualified PONY Concession Stand Workers. This list is available by request from the PONY Concession Committee. The young adults on the list may be hired to cover a shift on behalf of a player's parent or guardian.
